YOUR BIRTHRIGHT: HEALTH, HAPPINESS AND PROSPERITY!

Renée has a clairvoyant, direct link with spirit. Surrendering to God, she is assisted by the ascended master Emmanuel, as well as your own spirit guides and angels, to raise your vibrational frequency and release real, and imagined blocks from your physical body and energy field. Widely known as a spiritual healer, Renée prefers to think of herself as a "catalyst for the higher vibration of well-being and spiritual growth." In other words, she aligns you with the Pure, Positive Energy of the Divine to help spontaneously restore order, balance, and harmony to your physical, mental and emotional systems.

Renée's sessions* are for spiritual purposes only and are in no way intended to replace the treatments of your medical physician nor to substitute for his or her services. Rather than diagnose medical ailments, Renée addresses emotional stresses, thus allowing for the erasure of negative patterns and cellular memories that can lead to disease. You are reminded that, since this is not a medical or nutritional program, no drugs or supplements are prescribed.

Being fully aware that the Creator is the final arbiter of the results I receive from any healing practice, I hereby absolve Renée and *Trust in Miracles* from any responsibility in connection with unresolved mental and physical illness. In addition, I am aware that Renée has a long waiting list of clients, therefore, I hereby agree to notify *Trust in Miracles*, by telephone only, regarding any cancelled session 72 hours prior to the appointment. Otherwise, I can expect my check to be deposited. This does not apply to group sessions.

I hereby declare that I have read and understand the above. I also certify that I am not an agent of the Federal or State Government and choose to receive Renée's services on my own behalf for the betterment of my spiritual well-being.
